3. Mechanical Repairs (Collision-Related)

Mechanical repairs directly related to collision damage are covered for as long as you own the vehicle. This includes parts repaired or replaced during the collision service.

We will repair or replace defective parts unless the issue is caused by wear and tear, neglect, or misuse.

Exclusions:

- Routine maintenance (e.g., brakes, belts, fluids)
- Wear-and-tear not related to the collision
- Damage from neglect, abuse, or lack of maintenance
- Subsequent accidents or unrelated repairs
- Work done or modified by third parties
- Environmental damage (e.g., rust, floods)

4. Replacement Parts

All new parts installed by Modern Auto Body are warranted under this policy, unless the part's original manufacturer offers a shorter term.

If a warranted part fails, we will repair or replace it at no charge.

Exclusions: Failures due to misuse, external damage, or normal wear and tear are not covered. Manufacturer limitations apply where applicable.

The certificate will only be honored upon presentation of the original document bearing an original signature.
This warranty is non-transferable and applies only to the original owner.
